

Middle School & Junior High Social Studies Homework Ideas

- 🍏 Over several weeks, clip articles that deal with problems and/or issues facing our local or county government. Write an opinion based on the information you have gathered. You may want to contact an official or anyone else involved to gather more information.
- 🍏 Study the Constitution and the Bill of Rights. Look through the newspaper and find examples of as many rights as you can, either being upheld or not.
- 🍏 Look through the newspaper and clip out many different examples of persuasion techniques used. Write down the effects each technique might have on the consumer. Write down which ads you like most/least and why.
- 🍏 Read through the classified help wanted ads. What kind of skills do different kinds of jobs require? Find a job you would like. What kind of education would you need for that job?
